

FY 2014 DOD VALUE ENGINEERING ACHIEVEMENT AWARD WINNERS

U.S. Army	
Type of Award	Award Title
Project	Utility Helicopters Project Office
Team	Aviation & Missile, Research, Development, and Engineering Center, (AMRDEC) Aviation Engineering Directorate (AED) - Maintenance Engineering Division (MED)
Organization	US Army Aviation and Missile Command (AMCOM)
Individual	James Todd Lead Engineer PMTRADE
Special	US Army Armament, Research, Development, and Engineering Command
Special	US Army, Program Executive Office for Missiles & Space (PEO M&S), Lower Tier Project Office (LTPO)
U.S. Army Corps of Engineers	
Type of Award	Award Title
Special	Lower Granite Lock and Dam Barge Moorage Facility, Snake River, Washington
Individual	Leighann Ryckeghem Detroit District Value Engineering Officer
U.S. Navy	
Type of Award	Award Title
Program	Engineering Culture of Affordability Integration Team
Team	PMS377 Ship to Shore Connector Command Module Design Team
Organization	Amphibious Warfare Program LHA Acquisition Office (PMS377C)
Special	Airborne Electronic Attack Systems Division, NSWC Crane
U.S. Air Force	
Type of Award	Award Title
Program	A-10 System Program Office Aircraft Structural Integrity Program (ASIP)
Team	Critical Infrastructure Audit (CIA) Team
Special	Oklahoma City Air Logistics Complex (OC-ALC)
Special	HQ AFMC/A5CE Cost Capability Analysis (CCA)
Defense Information Systems Agency	
Type of Award	Award Title
Team	Defense Collaboration Services (DCS) Project Team
Defense Logistics Agency	
Type of Award	Award Title
Program	V-22 Alternate Sourcing Project
Team	TF-34 Feedback Cable Source Qualification Project Team

Organization	DLA Aviation
Individual	Jason Isernhagen Value Analyst, DLA Land and Maritime Value Management Division
Special	DLA Land and Maritime Value Management Team
Defense Threat Reduction Agency	
Type of Award	Award Title
Special	Helium-3 (He-3) Replacement Program
Special	Ground-based Prompt Diagnostics Sensor System
Missile Defense Agency	
Type of Award	Award Title
Project	Terminal High Altitude Area Defense (THAAD) Ground Components Product Office
Team	Terminal High Altitude Area Defense (THAAD) Lot 6 Interceptor Value Engineering Team
Organization	Terminal High Altitude Area Defense (THAAD) Project Office
Individual	COL Christopher Ford Product Manager, THAAD Ground Components
Special	Terminal High Altitude Area Defense (THAAD) Institutional Conduct of Fire Trainer (ICOFT) Value Engineering Team
Special	Terminal High Altitude Area Defense (THAAD) Missile Boost Motor Nozzle Obsolescence Value Engineering Team
