

April is
**National Child Abuse
Prevention Month**

**Prevent child abuse and neglect:
it only takes a minute.**

- It only takes a minute to reach out to a parent in need** and your helping hand could help a child or youth at risk.
- Supervision is key** for children and youth. It only takes a minute for a tragedy to happen.
- If you are under stress,** it only takes a minute to put your young child in a safe place and step away to gather yourself or call a friend.
- If you see an unsupervised child, take action.** It only takes a minute to help locate the child's caregiver or call local law enforcement for assistance.

**Child safety and well-being is everyone's
responsibility. It is your business.**
